## *Private Dining*

Established in 1856, **Tujague's is the second oldest**, continually operating restaurant in New Orleans! We have been serving New Orleans cuisine to locals and visitors alike for more than 164 years. Located in the heart of the French Quarter, we have a passion for preserving and highlighting the history and traditions of our restaurant. Our menu features locally sourced ingredients in traditional preparations, melding French recipes with New Orleans fare and flare.
